

Homebound Services

Are you or someone you know homebound? The Library provides service to residents who are unable to visit the library on their own due to age, extended illness, or physical condition.

We deliver to:

- Residences
- Assisted Living Facilities
- Nursing or Retirement Homes
- Adult Daycare Facilities
- Hospitals and Selected Other Agencies

We want to give our homebound citizens the opportunity to read and enjoy the materials we have available at our library. You must pre-qualify as a homebound resident in order to take advantage of this service. Once you become a participant arrangements are made for monthly visits.

Materials available for delivery include:

- Books in regular or large print
- Books on CD
- Music on CD
- Movies and Documentaries on DVD

Items will be selected according to your suggestions.
